Hello there!

Islam is an Arabic term that means submission and surrender to the will of Almighty God. Islam also means peace.

A Muslim is a person who believes that there is only one true God and that he is not a human, nor an idol. A Muslim is a person who acts all peacefully and submits his will to Allah.

Almighty God has a proper name and he has reviled it to us. His name is Allah and he is not an idol, or a human (not a male or female). He is all powerful, all seeing, all hearing and he is the greatest.

Mohammed (peace be upon him) is the last and final messenger that was sent from Allah. He was sent to all of humankind and not only for Arabs.

The Qur'an is the final and last revelation that was sent from Allah and Allah has sent 5 books to the human kind.

- Pages of Abraham (peace be upon him).
- Psalm to David (peace be upon him).
- Torah to Moses (peace be upon him).
- Gospel to Jesus (peace be upon him).
- Qur'an to Mohammed (peace be upon him).

A Muslim is not really a Muslim without believing, loving and respecting in the/the prophets that were truly sent from Allah. So, there is no Muslim who doesn't believe that Abraham is as a prophet. There is no Muslim who doesn't believe that Marry (mother of Jesus) was virgin and never been touched by males.

Muslims believe in Jesus but not in the way that Christianity clarifies, Muslims do respect and love Jesus and we believe that he was more than human, we believe that he was one of the greatest prophets that were true sent from Allah, but he is not God, nor son of God and please finish the letter for evidence.

If you believe that there is one Almighty God and Jesus is not God, then you are so close to the Muslim beliefs, so... what is stopping you from joining Islam? In case you belief that Jesus is God, then please read the following proves from the Bible, but one more thing. Do you believe that God is all powerful, all seeing, all hearing and that he is the greatest and no one is greater than him?

- God is almighty, but Jesus wasn't. Checkout (John 5:30). "I can do nothing on my own authority; as I hear, I judge, and my judgement is just, because I seek not my own will, but the will of Him who sent me." And this also points out that Jesus was a prophet.
- God is all knowing, but Jesus was not. Checkout (Mark 13:32). Speaking of the last day Jesus said: "But of That Day or That Hour knows no man, neither the angels, nor the son, but only the father." And the statement "the father" means the Almighty God and not that Jesus was son of God.
- God doesn't need to pray to anyone, Jesus did pray. Checkout (Matt 26:39) "And he (Jesus) went a little further, and fell on his face and prayed."
- Jesus (peace be upon him) had never ever said I'm God, worship me. He instead commanded his disciples to worship God, alone!

If you believe that Jesus is Son of God, then why do you think he is the only? It is clearly in the Bible that Jesus wasn't the only Son of God:

- The Prophet Adam(PBUH) - Luke 3:38
- The Prophet Solomon (PBUH) - II Samuel 7:13-14
- Angels - Job 1:6, 2:1, 38:7
- The Prophet David (PBUH) - Psalms 2:7

And Allah (Almighty God) has reveled to us the full story of Jesus (PBUH) and made a full chapter on the Qur'an in the name of "Maryam' which means "Marry" describing that she was the purest women on earth and Allah has also talked about Jesus not being his son, but his prophet:

- Allah gives an example about Jesus' birth: (Qur'an 3:59) "Indeed, the example of Jesus to Allah is like that of Adam. He created Him from dust; then He said to him, 'Be,' and he was."
- Allah doesn't have a son: (Qur'an 19:35) "It befits not Allah that he begets a son."

Actually, Jesus didn't come to the humankind with a new religion. He came to complete and finish the laws and here is the prove from the Bible. Checkout (Matt 5:17): "Do not think that I have come to abolish the Law or the Prophets; I have not come to abolish them but to fulfill them." And by that, Muslims are following Jesus and here is some examples:

- Jesus submitted his will to Allah and he worshipped Allah and Muslims follow Jesus and worship Allah.
- Jesus had beard, you can see for yourself in the pictures in the church and today, Muslims also have beards. Why? Because Muslims follow Jesus.
- Jesus fasted for forty day and nights and Muslims fast each year for a month (Ramadan). Why? Because Jesus and Moses used to fast.
- Jesus prayed and put his head to the ground, Muslims put their heads to the ground and pray to Almighty God for five times a day and 7 days a week and 12 months a year. Why? Because Muslims follow Jesus.
- If you would see Mary (mother of Jesus) walking in the street. Covering her body very well and covering her hair with a scarf, what religion would you think she was? You would think she was a Muslim, because Muslim women wear Hijab (cover the hair).

And it is only for the best to mention that Muslims follow all the prophets and not only Jesus and we actually pray like they did. We put our heads to the ground while praying. Here is some prophets who did the same:

- Jesus - Matt 26:39
- Elijah - I Kings 18:42
- Moses & Aaron - Numbers 20:6
- Abraham - Genesis 17:3

And finally, each prophet that was sent from Allah the Almighty has been given some miracles that proves he was a true prophet and for Mohammed

(PBUH) he was given the Qur'an which is great as all other miracles, if not greater. Here is some of the miracles in the Qur'an:

1 - Scientific Facts in the Quran: It contains many Scientific Facts even though it is 1400 hundred years old. For example:

- Embryology (Qur'an translated chapter 23 Verses 12-14)
- The Big Bang Theory (Qur'an translated chapter 21 Verse 30)
- The Expanding Universe (Qur'an translated chapter 51 Verse 47)
- Construction of Mountains (Qur'an translated chapter 6 Verse 7, chapter 21 Verse 31)
- Pain Receptors For Burning In The Skin (Qur'an translated chapter 4 Verse 56)
- How Gravity Works (Qur'an translated chapter 36 Verse 40)
- The Water Cycle (Qur'an translated chapter 7 Verse 57)

Just as powerful and important is the fact that even though it mentions diverse subjects The Qur'an does not contain a single inaccuracy.

1. Given to an Unlettered Prophet: (Qur'an 7:157) The book was given to a man who could not read or write (How do we know that? Because it says so in the Qur'an and his enemies never called him a liar).
2. Has remained unchanged: The book has remained unchanged for 1400 years- See for yourself in the library! "It is We who have sent down the Dhikr (Qur'an) and surely We will preserve it" (Quran15:9)
3. The Challenge: "And if you are in doubt about what we have sent down upon our servant then produce a chapter like it ..." (Quran 2:23)
4. No Contradictions: "Don't they ponder over the Qur'an, had it been from anyone besides Allah, they would surely have found therein many contradictions" (Quran 4:82)
5. The Largest Following: It has resulted in the largest following in the world; 1.7 billion people. Produced The Fastest Growing Religion: It has produced the fastest growing religion in the world (Guinness book of records 2005).
6. Easy to memorize: "...made easy to remember" (Qur'an 44:58) > 9 Millions have memorized the whole Qur'an (from the cover to the cover).

7. No crookedness: "An Arabic Qur'an without any crookedness" (Qur'an 39:28)

And now, for the gold, why don't you join Islam and find inner peace and let rest be upon your soul? Islam is the true path to follow.
